

CRISTIANO DA CRUZ LEITE

Partner

Experience

Extensive experience in financial and capital markets, acted as advisor for transactions in various segments of the economy. Actively took part in the design and manufacture of financial structures and vehicles, whether debt, securitization, and structured finance and transactions or mergers and acquisitions. Also worked on regulatory matters with financial institutions, investment funds and asset managers.

Education

LL.B, Pontifícia Universidade Católica de São Paulo (1997).
